ELEVENTH HOUR EFFORT IS MADE

Republicans Charge Campaign to
Intimidate Former Progressives Is Desperate

BIG ADS. ARE BEING USED

Republican State Committee Replies
With Statement of E. C.
Toner, Former Progressive

Charges were being freely made by Republicans here today than an eleventh-hour, desperate effort is being made to intimidate former Progressives and prevent them from voting in the Republican primary Tuesday.

The latest and most sensational move in this apparent campaign was the three-column display advertisement in the Indianapolis News Saturday night and the Indianapolis Star this morning calling on former Progressives to vote the Progressive ticket and interpreting the primary law in such a way as to make former Progressives fear prosecution in case they participated in the primary of any other party than that of the Progressives. The advertisement was signed by the state Progressive central committee.

The state Republican central committee replied with a large display advertisement in the Indianapolis Sunday Star and this morning's Star. The display advertisement consisted for the most part of an editorial in the Anderson Herald, edited by E. C. Toner, who was Progressive state chairman in 1914. Toner asserts boldly that he expects to vote in the Republican primary regardless.

He calls attention to the fact that from every source opposed to the Republican party "emanates occasional reports that former Progressives will not be permitted to participate in the Republican primary." Toner acknowledges that he voted the progressive ticket in 1912 and 1914 and says that he intends to go to the primary next Tuesday, call for a Republican ballot and participate in that primary as a Republican.

"All the Democrats in Madison county," the ad. continues, "would not be able to stop him if they tried, but they won't because a supreme court decision prevents them making the effort."

"We're not Progressives any more; we're Republicans. As such it is not only our opportunity but our duty to go into these primaries and aid in selecting the nominees on the Republican state, district and county ticket. We go into these primaries not as a bequest, but as a right. The primary law, along with the supreme court decision on that law, says this, and we must exercise this right, which immediately becomes a duty. Let us all, regardless of our alignment the past four years, use every possible effort to bring about a Republican ticket that will represent all elements in the party."

"The attention of persons engaged in an effort to make former Progressives believe that they have no right to take part in the Republican primary, in face of the Supreme Court's ruling to the contrary is called to the following section

VIEWERS LOOK AT ELEVENTH AND FIRST

Examine Streets For Which Petitions to Improve Have Been Filed—Action Not Official

MUST REPORT BY APRIL 3

The viewers for the proposed improvement of First street and Eleventh street were in the city Saturday and looked over both streets. The proposed paving improvements were not viewed officially as the civil engineer was out of the city and could not accompany the viewers.

The viewers for the First street highway are John Spencer and George W. McBride. The viewers for the Eleventh street paving are Dr. Charles Smullen and Oliver J. Cook. The engineer in both improvements is Adolphus Cameron, county surveyor. It was impossible to get an expression from the viewers. Their reports are to be submitted on or before April 3. April 3 is the next regular meeting of the county commissioners and this meeting will be watched with interest because the viewers can either kill or make the improvements.

COMMENCEMENT DATES ARE FIXED

Township Trustees at Monthly Meeting of Board of Education Announce Several.

THREE EXAMS FOR THIS YEAR

Several commencement dates were announced today by the township trustees attending the regular monthly meeting of the board of education. The Center high school commencement will be held on April 14. The New Salem commencement will be held on April 21. In all probability the Moscow commencement will be held on April 25, and the Milroy commencement on the following night, April 26. These two dates, however, have not been definitely determined.

Superintendent George has announced that there will be three examinations for eighth year pupils this year. The examinations will be held on the third Saturdays of March, April and May. The pupils who fail at the March and April examinations in two subjects will be given a third chance on the third Saturday in May. The May examination will be held in the examination room here, but the other two will be conducted in the various townships. The March examination for Walker township will be conducted in Homer, March 18.

CAMPAIGN WILL CLOSE TONIGHT

James E. Watson Will Make Final Speech in Race for Senatorial Nomination at Lafayette.

IS CONFIDENT OF WINNING

Stated at His Headquarters he Will Carry Seventy-Three of Counties in The State

James E. Watson, who has made the most spectacular and persistent campaign of any candidate seeking nomination at the primary tomorrow, will close with an address at Lafayette tonight. Preparations are being made for a big meeting there.

Unlike his opponents, Mr. Watson is campaigning up to the very eve of the campaign. Harry S. New remained in Indianapolis today, resting on his oars. Arthur R. Robinson spoke at Terre Haute yesterday and was billed to speak at Marion today.

Mr. Watson addressed a large meeting of Republicans at the court house in Anderson last Saturday night under the auspices of the Lincoln club. He rested at his headquarters at the Severin hotel in Indianapolis Sunday.

The extended statement that was given out at Watson's headquarters Sunday indicates that he has not revised his opinion of conditions. While at Richmond last week Mr. Watson predicted that he would carry at least seventy-three counties in the state. His statement follows:

"During the last twelve weeks I have visited and met the voters in public meetings in more than seventy counties of the state. While my canvas has been made primarily in the interest of my own candidacy, I have not failed at every meeting to uphold and present the issues of the campaign from the Republican standpoint and have used my best efforts to aid the cause of Republicanism."

"I am confident of my nomination. I shall certainly carry not less than seventy-three counties at the primary next Tuesday. Twelve counties are doubtful, in which the majorities either way will be small. My judgment is that I will lose the remaining seven counties, but the total majorities in these seven will not be great."

UPHOLDS THE STAMP LAWS

Supreme Court Causes Belief Local Statute May be Valid

(By United Press.)
Washington, March 6.—Upholding laws at Florida and Washington aimed at trading stamps and free coupon companies, the supreme court today practically maintained the right of states to stop use of such coupons by prohibitory legislation.

Indianapolis, Ind., March 6.—The action of the supreme court in Washington upholding the Florida and Washington trading stamp laws was hailed at the attorney general's office here today as meaning that similar action would be taken in the Indiana case before Judge Anderson in Federal court.

Mrs. Rachel Jones returned to her home in Chicago this morning by way of Greensburg after being called here on account of the death of her brother T. M. Friend.

REVIVAL OPENS AT M.E. CHURCH

Excellent Attendance at All Services

Sunday Marks Beginning of Protracted Meeting

SERMON ON THE REVIVAL

Rev. W. M. Whitsitt Cites Paying Results of One Work And Effort It Costs

An excellent start was made yesterday for the revival meetings which are to be held in the St. Paul's M. E. church this month. The attendances at Sunday School, Epworth League, and the church services probably exceeded that of any previous meetings this year.

An inspiring sermon on "Revival" was preached by the pastor the Rev. W. M. Whitsitt, at the morning service when he cited the paying results of a good revival, the need of one, and the work and effort it costs. The enthusiasm which has already marked the meetings of the Epworth League was emphasized with the attendance and interest shown last evening.

Under the leadership of Clarence E. Lane, the singing evangelist, the chorus choir was well supported at the church with thirty voices. "Jacob, Wrestling with the Angels" was the subject of the pastor's sermon at the evening service.

In connection with the meetings a series of cottage prayer meetings have been planned for this week. These will be held from 9:30 to 10 o'clock on Tuesday, Wednesday, Thursday and Friday mornings and are to be held at the following places:

On Tuesday morning at the home of Mrs. Alvan Moor, 815 North Main street; at the home of Mrs. George F. Moore, 341 East Sixth street; at the home of Mrs. Frank Smith, 122 West Fourth street; at the home of Mrs. O. C. Brann, 315 North Harrison street; at the home of Mrs. F. G. Hackleman, 515 North Morgan street; at the home of Mrs. Fannie Smith, 815 North Harrison street; at the home of Mrs. E. O. Arbuckle, 527 West Seventh street; and at the home of Mrs. Frank Windler in Circleville.

INSTITUTED APRIL 21, 1890

The Red Men will have a special observance Tuesday night honoring the veteran members of the lodge. The celebration will be known as "Veteran's Night" and great preparations have been made for the event. Arch H. Hobbs, of Indianapolis, Grand Chief of Records, will be present and deliver the main address of the evening.

This will be followed by short talks by visiting members and by the veterans themselves. Tanpah Tribe, No. 102 was instituted here April 21, 1890, and there are many charter members still living. There are over forty members of the lodge who have held membership for over twenty years. The meeting will start promptly at seven-thirty o'clock.

MOTION FOR NEW TRIAL IS HEARD

Mrs. Bertha Potts Alleges Court's Verdict Not Sustained by The Evidence

ACCOUNT SUIT DISMISSED

Judge Alonzo Blair of Shelbyville was on the bench here today hearing a motion for a new trial in the partition and quiet title suit of Mrs. Bertha Potts against Earl Churchill. When the case was tried in December, 1914 Judge Megee found for the defendant. The suit involves a title to land and property valued at about \$20,000.

The argument for a new trial was quite spirited. B. F. Miller and John H. Kiplinger presented the motion and it was opposed by Judge M. E. Forkner of Newcastle and John A. Tittsworth. In asking for a new trial it is alleged that the decision of the court was not sustained by the evidence. Mrs. Potts is a grand daughter of the late Jefferson Churchill and in the suit she alleged that deeds to certain property were obtained through undue influence.

The case of the Ohio Garment Company against Will M. Bliss and Joseph L. Cowing was dismissed and the costs paid. The suit was on an account in which \$200 was demanded.

Ed Austin was excused from serving on the grand jury this morning by Judge Sparks and Omer G. Gartin of Jackson township was drawn for service in the place of Mr. Austin.

"CITY BEAUTIFUL" IDEA HITS BOARD

Commissioners Purchase \$99 Worth of Flowers And Shrubs For Court House Lawn Today

OTHER BEDS TO BE KEPT UP.

The "city beautiful" idea hit the board of county commissioners today and as a result \$99 worth of flowers and shrubs was purchased from Oliver Walton. The four large flower beds that attracted so much attention last summer will again be maintained and the flowers and shrubs purchased today will be placed in different parts of the court house lawn. John A. Tittsworth, county attorney, has advocated this for twenty years, and the commissioners readily fell in line for the idea.

Most of the day was taken up with allowing claims. This was the end of the official quarter and as a result a large number of claims were given attention.

The commissioners adjourned at noon and will meet again Wednesday when they will inspect the county poor farm.

CLEVELAND MAN NEW SECRETARY

Newton D. Baker, Age 45, Selected For War Portfolio in President Wilson's Cabinet.

IS A WELL KNOWN PACIFIST

Twice Declined Offer to Become Secretary of Interior When Cabinet Was Formed

(By United Press.)
Washington, March 6.—Newton D. Baker, age forty-five, twice mayor of Cleveland, Ohio, disciple of Tom Johnson and effective supporter of President Wilson at the Baltimore convention, will be secretary of war in the president's cabinet. Admission of the fact was made at the white house today.

Baker, who twice declined an invitation to become secretary of the interior when the president was first forming his cabinet, has accepted the place made vacant by Lindley M. Garrison's resignation.

In the appointment of Baker the president, it is said, meets a qualification which it has been intimated is considered important—that the new secretary be an attorney from the middlewest.

He has had the rough and tumble experience of politics, being a long term pupil of Tom Johnson.

The president, it is understood, has been advised by the attorney general's office that General Scott chief of staff, can not be retained as acting secretary of war longer than next Saturday, when his thirty-day appointment expires.

Baker is not entirely without cabinet experience. He served as private secretary to Postmaster General Wilson from 1896 to 1897.

STILL IN GOOD STANDING

Baker Belongs to Several Peace Societies, He Says

(By United Press.)
Cleveland, O., March 6.—Newton D. Baker this afternoon confirmed the United Press dispatch that he had accepted President Wilson's offer to be secretary of war.

"I have accepted the post," said Baker, after the official announcement was made in Washington.

"I do not know definitely when

Note the Success Signs

Newspaper advertising shows which way the trade is going.

Note the pages of advertising in today's Republican and you will see at a glance that the list of merchants, manufacturers, and other advertisers comprise the most progressive and the most successful business and professional men in our community.

Advertising and success go hand in hand. You don't see a concern constantly advertising in the newspapers unless it is successful.

Also, the houses that make the biggest successes nowadays do so by satisfying and pleasing the public on whom their success is based. And in order to reach the public the most successful business and professional men use newspaper advertising.

Each depends upon the other. Good business men and good newspapers, working together, spell success.

from the Indiana statutes;

B. R. S., Section 2578 (2341). "Whoever, for the purpose of influencing a voter, seeks, by violence or threats of violence to enforce the payment of a debt; or to eject or threaten to eject from any house he may occupy; or begin a criminal prosecution; or to injure the business or trade of an elector; or if an employer of laborers or an agent of such employer threatens to withhold the wages or to dismiss from service any laborer in his employment; or refuses to allow to any such employee time to attend at the place of election and vote, shall be fined not more than one thousand dollars nor less than twenty dollars, imprisoned in the state prison not more than five years nor less than one year, and disfranchised and rendered incapable of holding any office of trust or profit for any determinate period."

The Progressive advertisement is only a part of the campaign to misrepresent the primary law. Many letters have been received from the Progressive state committee in the last day or two, trying to scare former Progressives. Most of the letters are being tossed in the stove. It is held that if there is any truth in the things the state committee is saying, they would have been said long ago and not withheld until the eve of the primary. It is pretty generally understood that the idea that a voter can be kept in one party or out of another by legislative enactment is too absurd to deserve a moment's consideration.

WELL KNOWN MAN GIVES TESTIMONY

P. F. Hulvey of Near Fort Wayne, Says Wife Has Been Relieved by Tanlac.

Fort Wayne, Ind., Mar. 6.—P. F. Hulvey, a prominent farmer who lives on Rural Route No. 2, Sheldon, Ind., twelve miles from Fort Wayne, recently said, regarding the benefits his wife derived from taking Tanlac the Master Medicine:

"My wife has been sick for five years with rheumatism and was in a run down condition. She suffered severe pains in her limbs and body and she had no energy. Her appetite, also, was poor, and because of extreme nervousness she slept very little. Severe rheumatic pains in the back of her neck, often came in the night and she would lay awake fearing an attack.

"Although Mrs. Hulvey has taken only one bottle of Tanlac to this time, she feels like a woman made over again. The rheumatic pains are nearly all gone, and she has more energy and feels stronger than she has for years. The nervousness, also, has disappeared from her, and her appetite has increased. Tanlac has helped my wife more than any other medicine. That's why I am here for another bottle. She certainly intends continuing its use."

The words of such a prominent man of the community as Mr. Hulvey, known for his honesty and integrity, added, as they are, to the testimony, of many others, should prove the merits of Tanlac. Tanlac is especially beneficial for the treatment of catarrhal affections of the stomach, liver and kidneys and for rheumatism, sleeplessness and the like.

Tanlac is sold exclusively in Rushville, at F. E. WOLCOTT'S drug store.

is the average quantity in a healthy adult, but it is the quality of the blood that determines our strength to resist sickness. With weak blood we find cold hands and chilly feet; in children an aversion to study, and in adults rheumatic tendencies.

In changing seasons get abundant fresh air and take a spoonful of Scott's Emulsion after meals, because Scott's Emulsion is a rich blood-food that will increase both quantity and quality of the blood while it warms the body and helps carry off the impurities.

When multitudes of people are today taking Scott's Emulsion to avert winter sickness, and are giving it to their children, it is careless to neglect its benefits. Look out for substitutes. Scott & Bowne, Bloomfield, N. J. 15-26

Bad Business

(Muncie Press)

The Press does not believe in the use of a newspaper to promote factional ends, and on this account has not undertaken to advise or control its constituency in the matter of candidates before the state wide primary to be held next week. If candidates were presenting themselves in the state primary whose nomination would be a menace to good government it would be the duty of a newspaper having at heart the good of the state and country, to protest. No such situation exists, however, except in the super-heated imaginations of partisans of various candidates. It is further to be remembered that every candidate nominated must run the gauntlet of the November election, and it is not to be assumed that any candidate who does not believe thoroughly in his own ability to be elected, if nominated, would make the hard campaign for a nomination, nor would his friends make such a campaign for him.

This paper does feel like protesting, in the interests of fair play, against methods being employed in behalf of some candidates and against some others. The mails are being filled with anonymous letters and the newspapers with scurrilous attacks on certain candidates. The very fact that this sort of campaigning is done so late, and over no signature, is a confession of weakness on the part of those who engage in it. And it may well be questioned if attacks of this kind do not react upon their authors, and in favor of those thus assaulted.

Particular reference is made to the kind of campaigning done against Mr. Watson, a candidate for the Republican nomination for United States senator. In 1908 Mr. Watson was the victim of the same kind of a fight. The opposition to his nomination was aroused to such a frenzy before the Republican state convention that it went on through the campaign, resulting in the defeat of Mr. Watson, and the repeal of the county local option law, in which many of those opposing Watson professed to be interested. Mr. Watson made his campaign fairly and squarely upon the platform, yet the effort was successfully made to spread the belief that Mr. Watson was "wet" and Thomas R. Marshall would not sign a bill repealing the county option law. Mr. Watson received 47,000 more votes than was accorded the Republican state ticket in 1910, however, and more votes than Taft and Roosevelt together received in 1912. While Governor Hughes, of New York, who like Mr. Watson, was opposed by the organized liberal interests of his state in 1908, received 133,040 less plurality than Taft; in Ohio, where much the same situation prevailed, Governor Harris received 88,000 less plurality than Taft; Governor Warren of Michigan, received 50,000 less plurality than Taft, while Governor Deneen of Illinois, received 156,000 less plurality than Taft, Watson ran about 15,000 behind Taft in number of votes received and about 25,000 behind him in plurality.

The lack of justification for the claim that Mr. Watson is an unpopular man is therefore apparent. It seems, however, that the effort of some of those opposing him is based upon the belief that he is likely to be nominated that desperate measures must be taken to prevent this, and that the sole method remaining is to "smeat" him so thoroughly that the attack will make effective campaign material against his party in the November election, not only as against him, but as against every candidate on the ticket from top to bottom—for the weakness of one candidate for an important office weakens every candidate.

Having in mind the possibility, which everyone recognizes and none more than those who are inspiring and printing such attacks, of Mr. Watson's nomination, such methods

are to be deprecated, as against any candidate. This paper believes that Mr. Robinson will be elected, if nominated, and that his bold, unequivocal declaration of a intention to vote for national prohibition will help, rather than harm. It believes that Captain New will be elected, if nominated, and the state is carried by the Republicans on the national ticket. It believes the same with respect to Mr. Watson, and that it comes with poor grace from members of the party he has stood by so loyally, through evil and good report, whose standard bearer he has been in many hard fought battles, whose effective advocate he has been in every nook and corner of Indiana in every campaign for the last quarter of a century, to make their partisanship for some other candidate for the office he now seeks an excuse for assaults manifestly intended, or at least calculated, to weaken the cause of the Republican party in case more Republicans of the rank and file vote for him than for any other candidate, without which there is of course no prospect of his nomination.

The Evansville Journal News has been freely circulated throughout the state by someone, carrying violent personal attacks upon Mr. Watson. The nearer the primary approaches, the more violent and virulent these attacks become. The Evansville Journal News was a Republican paper during the period when Republicanism was in the ascendant. When things began to go to pieces a few years ago the Journal News abandoned its Republicanism and became an independent paper. At a time when it feared to lift its voice for the party in its home city, Mr. Watson was there making speeches in behalf of the party. Now this same paper undertakes to say that its advice should be taken, and Mr. Watson's candidacy should be rejected, because his course has made him a target. When the kaiser be-

gins pinning iron crosses on the deserters and sending the men who bring wounds home from the trenches to military prison, it will be time to open one's ears to such arguments as are advanced by the Journal News. Unfortunately other newspapers much better entitled to a hearing have lost their heads, and are saying things the papers of the opposing party are now filing away for future use not only against Watson, in case of his nomination, but against the whole Republican ticket.

Of course this sort of campaigning is one of the natural and usual results of the state wide direct primary. The bitterness and partisanship usually reserved for October of an election year, begins in January, —in fact, runs the year round. The purpose of the advocates of the universal primary is to disorganize, disrupt and destroy political parties and party responsibility, substituting therefore the chaos of personal and factional leadership. The people will be glad to get back to representative government all along the line after a few years more of the present debauch.

JAMES WHITCOMB

(Continued)

In 1843 Whitcomb was the democratic nominee for governor and elected over F. S. Bigger by more than two thousand votes and three years later was re-elected by a much larger majority. He filled the executive chair during an eventful period of the state's history. The heavy debt incurred by the rage for internal improvements was not lifted. The establishment of asylums and reformatory institutions was undertaken, and more permanent funds provided for the support of the common schools. At the outbreak of the Mexican war he directed with much credit, the organization of five regiments of infantry. In 1849 Whitcomb was elected to the United States senate but owing to ill health was never permitted to measure his talents with the great statesmen then in public life. He died in New York City in 1852. At the time of his death, Senator Whitcomb was vice president of the American Bible society. His only child, a daughter, became the wife of Claude Matthews, later governor of Indiana. She thus had the unique distinction of being a daughter of, and a wife of a governor.

We Need a Strong Campaigner

The test of a candidate is, can he get the votes? In 1914 Hugh Th. Miller, candidate for United States Senator, received 14,795 votes in the District. LYNCH RECEIVED MORE VOTES THAN THE HEAD OF THE TICKET.

In 1912 Gray's plurality in the District was 8,745; in 1914, Gray's plurality was only 3,491. LYNCH REDUCED GRAY'S PLURALITY 5,254.

What a man can do in the future is to be judged by what he has done in the past. If Lynch gets these results with a divided party he can redeem the Old Burnt District with a united party.

GIVE HIM ANOTHER CHANCE AND SEE

Republican success demands a hard, vigorous speaking campaign. The candidate must be a man in the vigor of middle-aged manhood. If Lynch is nominated there will be no watchful waiting in this campaign.

Subject to the Decision of the Republican Primaries March 7, 1916.

To the Republicans of Rush County:

As it is nearly impossible to see each one individually we are authorized to take the method of placing his name before the voters for their consideration.

WHO IS HE?

He is a farmer, 48 years old, born and always lived on the farm where he now resides and received his education in the township and city schools.

He makes no claim to be entitled to the office any more than any other Republican that has always voted and worked for the party.

He does not say he needs the office to make a living as he is making a very good living where he is, but if nominated and elected he does not promise to give the salary away as he never saw any one yet who could not use another dollar or two.

He has been a Republican all his life; his father has been a Republican since the birth of the party; and his grandfather was a Whig before he was a Republican. None of them have ever held a county office or even asked for one.

If nominated and elected, he promises to serve the people to the best of his ability.

RUSHVILLE MAY GET TO FINALS

**High School Basketball Five Should

Schedule Arranged**

HAS CARTHAGE FIRST GAME

**No Very Strong Teams Lie in Path
of Locals Until They Reach
The Last Contest**

Under the schedule arranged for the district basketball tournament to be held at Richmond Friday and Saturday local, followers of the game see a chance for Rushville reaching the finals. Rushville's first game of the tournament is with Carthage at two o'clock Friday afternoon. This is the second game of the tournament, the first being played at one o'clock between Union City and Lewisville.

If Rushville defeats Carthage, and there is every reason to believe this will happen, the next game for the locals will be at nine o'clock Saturday morning, meeting either of these two teams and the fans are not alarmed over which team it is.

Providing Rushville is still in the running the next game will be at three o'clock Saturday afternoon with either Liberty, Milroy, Brookville or Mt. Summit. All of these teams but one will have been eliminated by the time the three o'clock game is called. Should Rushville

win this game the team would be in the finals. The final game will be played at night and from all indications Richmond will be one of the teams to take part. Rushville followers of the game believe Rushville has a fine chance. Under the schedule, Richmond and Newcastle should meet at two o'clock Saturday afternoon and as the dope favors Richmond, this team will more than likely get to the finals.

Local followers have picked Milroy to beat Liberty and as Rushville has already defeated Brookville chances are right for Rushville to get in the final game.

Coach Burns will drive his team hard this week in preparation for the tournament. The team hardly hopes to win the tournament but will seek to be the runner-up. The officials for the Richmond tournament are John Swain and Dorsey Jones.

CLEVELAND MAN NEW SECRETARY

Continued from Page 1.

I will leave for Washington but it will surely be within a week."

Baker has always been known as a pacifist. At the big citizens' meeting recently in Cleveland he was boosted as the man to bring about peace in the world war when the time is right. When asked when he ceased to be a pacifist and became an advocate of preparedness, Baker said:

"I am still a member in good standing of several peace societies." "But you believe in the president's preparedness policy, do you not?" was the next question.

"I do," he said. "I believe in all of the president's policies so far as I know them."

Baker smiled but declined to make any comment when asked whether he believed his recent telegram to Senator Pomerene had anything to do with clinching his appointment.

The telegram was sent when the congress-Wilson difference over the German submarine policy began. It said:

"Opinion is wholly with the president, he will doubtless save the honor of the country, but can not something be done to save the party which at present is a dismal failure?"

This comment was made last Saturday by Baker on the tabling of the Gore resolution by the senate.

"I am quite sure that no European power will misinterpret that action," he said.

Baker is a short, slim man with a colorless, wrinkled face. He is noted here for the lightning rapidity with which he canvasses the facts and forms an opinion.

Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.

Your dentist will tell you, if you ask him, that you have *gum recession*; and that gum recession is caused by pyorrhea.

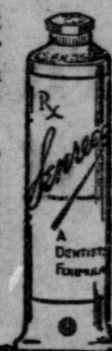

Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your

teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Sentinal Remedies Company 503 Union Central Building, Cincinnati, Ohio.

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS.

Make the Best Remedy at Home—128 Teaspoonful for 50 Cents.

If everything was sold in as liberal and fair a manner as Fox Bros. are selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides

securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonful, because 50c worth makes a whole pint (128 teaspoonful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador of "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, St. Paul, Minn.

Mr. and Mrs. Charles Brown of East Second street were agreeably surprised last evening when a crowd of their friends came in upon them with laden baskets, and spent the evening in a most congenial way. The affair was in honor of the birthday of Mrs. Brown and the seventh wedding anniversary of the honored couple. Four faultless courses comprised the dinner which the ladies brought with them and it was as prettily served as it was delicious. One of the most pleasant of yesterday's events was the family dinner given by Mr. and Mrs. Gano Perry, east of the city. A bright potted flower was in the center of the festive board around which the merry company gathered and enjoyed the dinner, which was beautifully served as well as bounteous. No pains had been spared in preparation for the affair which was a success in every respect. A merry afternoon was made especially delightful, thanks to the piano music which was furnished. In this amiable company were Mr. and Mrs. J. M. Gwynn, Mr. and Mrs. H. E. Guffin, Mr. and Mrs. B. F. Allen the regular meeting was held this afternoon when about twenty of the members gathered at her home. Mrs. C. H. Parson read a paper on "The Contributions of Maeterlinck to War Literature." By her research, many interesting lights upon this author were brought up. Equally instructive was the paper by Mrs. L. L. Allen on "Monno Vanna—Synopsis and Study." Mrs. Louis Lambert, the president, presided over the business meeting which followed. Dainty refreshments were served by the hostess as the ladies chatted during an enjoyable social period together.

The next meeting will be in two weeks at the home of Mrs. J. C. Sexton, when Mrs. Demareus Brown will give another one of her interesting lectures. This one will be on "Maeterlinck, the Mystic."

Although the surprise was a complete one, the hostess lost no time in entering into the jollity of the affair and extending her proverbial hospitality to the welcome company who had planned the affair. ALL CANDIDATES ARE CONFIDENT

Optimism Beams From Countenances of Every Manager as Primary Campaign Closes

DEMOCRAT VOTE TO BE LIGHT

Statement From Watson's Headquarters is That he is “Serenely Confident.”

LAST WORD FROM CAMPAIGN MANAGERS

UNITED STATES SENATOR
James E. Watson—“Watson expects to receive the majority for U. S. senator. We are serenely confident. We will carry 73 of the 92 counties.”
Harry S. New—“New will carry every district. He will be nominated at the primary because the Republicans realize he is the only available candidate from the standpoint of the party.”
Arthur R. Robinson—“After ten months of personal activity by Sen. Robinson, reports from over the state indicate his nomination in a landslide.”
GOVERNOR (REPUBLICAN)
James P. Goodrich—“Mr. Goodrich has 83 counties organized better than during the average pre-election campaign. He will be nominated and it will be a landslide.”
Warren T. McCray—“Mr. McCray will be nominated in a landslide.”
Quincy A. Myers—“The day after the primary there will be only one Republican candidate for governor and he will be Quincy A. Myers.”
GOVERNOR (DEMOCRAT)
J. A. M. Adair—“Adair will carry practically every county by handsome majorities.”
Leonard B. Clore—“Clore will be nominated—possibly by a landslide.”

BY DAN L. BEEBE
(U. P. Staff Correspondent.)

Indianapolis, March 6.—Knowing that the time for campaigning has passed, Indiana's 15,000 office seekers rested on their oars today waiting for tomorrow when the state will hold its first general primary election.

Optimism beamed from the countenance of every campaign manager and oozed from campaign headquarters. The three republican candidates for U. S. senator were “confident” of victory. Both James M. Watson and Harry S. New claimed they would be nominated by a majority at the polls and that the nomination would not go to the convention.

DRESS WARM AND KEEP FEET DRY

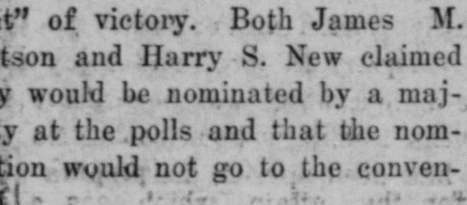

Tells Rheumatism Sufferers to Take Salts and Get Rid of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

The same was true of republican candidates for governor. All predicted land slides.

Although tomorrow's weather will have much to do with the vote total, political seers have estimated today that at least 50 percent of the voters who generally take part in elections will vote at the republican primary tomorrow. This was the percentage also fixed by one of the leaders in the republican party of the state.

Because the democrats have few contests, their vote will not be as large, it is generally admitted. Some said today that the democrats will be lucky if they poll a 33 percent vote.

Ed Jackson of Newcastle was the only unopposed republican on the state ticket.

James E. Watson, republican candidate for U. S. senator is “serenely confident,” to use the words of Elam H. Neal, his campaign manager. He expects to get more votes than Harry New and Arthur Robinson taken together; if Neal's statement is taken at its face value.

At the headquarters of Mr. New there was equal confidence. Edward H. Schmidt former U. S. marshal, New's campaign manager said New would carry every district.

At the headquarters of Arthur R. Robinson whose campaign for nomination has consisted almost entirely of his personal efforts, the following statement was made:

“After ten months of personal activity by Sen. Arthur R. Robinson, reports indicate his nomination in a landslide.”

None of the three republican candidates for governor was outwardly blue today. J. W. McCordle, campaign manager for James P. Goodrich predicted a “walkaway” for the latter. “Mr. Goodrich has 83 counties organized better than for the average pre-election campaign. He will have a walkaway.”

Warren T. McCray is expecting a landslide for him, according to word today from his headquarters. The following statement was issued:

“Mr. McCray will be nominated in a landslide. That tells the entire story.”

The statement issued at the headquarters of Quincy A. Myers: “The day after the primary, there will be only one republican candidate for governor and that will be Quincy A. Myers.”

date for governor and that will be Quincy A. Myers.”

Lew Ellingham, manager for J. A. M. Adair, the democratic candidate for governor claimed practically every county for Adair.

“Indications are that Adair will receive a handsome majority in practically every county in the state,” said Billingham.

J. C. Webb, manager for Adair's opponent, Leonard B. Clore, said Clore would be nominated possibly by a landslide.

“It has been a growing fight from the start,” Webb said, “Interest in Clore has increased by leaps and bounds. It looks like Clore's nomination—possibly by a landslide.”

Familiar Features Well Known to Hundreds of Rushville Citizens.

A familiar burden in many homes. The burden of a “bad back.”

A lame, a weak or an aching back.

Often tells you of kidney ills. Doan's Kidney Pills are for weak kidneys.

Here is Rushville testimony.

Mrs. Jacob Roth, 820 North Perkins street, Rushville, says: “Doan's Kidney Pills have been used time and time again by different ones of the family and they have never failed to give perfect satisfaction. For rheumatic pains, kidney and bladder trouble, I know that Doan's Kidney Pills can be relied upon to bring almost immediate relief. I have such faith in this medicine that I never fail to speak a good word for it, whenever I hear anyone complaining of kidney trouble.” (Statement given March 9, 1910.)

On Aug. 26, 1915, Mrs. Roth said: “In my opinion there is nothing better for the kidneys than Doan's Kidney Pills. I keep them in the home all the time, even though they are seldom needed. I think that they were the means of keeping one of the family alive and not only that, but I have used them with great success myself.”

BIRTHDAY SURPRISE

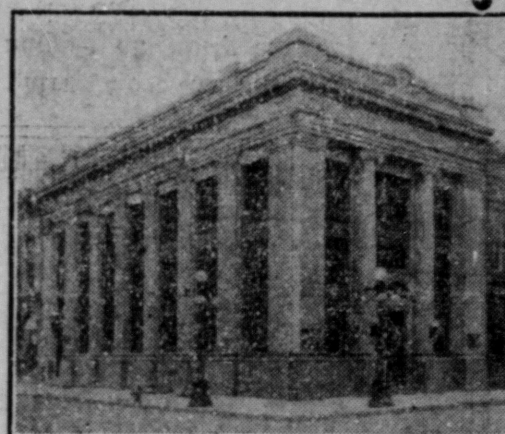

Ernest Roth, yesterday being his birthday, was pleasantly surprised last evening when in response to invitations issued by his mother a number of his friends came in and were guests at an elaborate six o'clock dinner. Ferns, a number of them, were used in decorating the dining room where the guests were served to the delightful course dinner. Following this a pleasant social evening was enjoyed by the guests who included Miss Katie Madden, Miss Kathryn O'Reilly, Joe Madden, Mr. and Mrs. John Geis and Robert Klenk, of Connerville.

BIRTHDAY DINNER

The birthday of Mrs. Nannie Vest was pleasantly celebrated yesterday, when as the guests of her daughters, Mrs. Orval Collier, and Mrs. Will Webb, a number of her friends and relatives assisted her in enjoying the joyous event.

The two hostesses served a sumptuous dinner in the prettily appointed courses. Lavendar and white was the happy choice for the color scheme and with a pretty potted flower and other suggestions of these shades, the table presented an airy and spring-like appearance for the amiable group of guests that enjoyed the delicious dinner. Equally delightful were the afternoon hours when the company enjoyed several pleasant hours of conversation. This establishment has long been favorably known for its splendid offerings of Table Linens, Crashes and Towels, and we are endeavoring to live up to that reputation to the very letter. ELEVENTH HOUR EFFORT IS MADE

Republicans Charge Campaign to
Intimidate Former Progressives Is Desperate

BIG ADS. ARE BEING USED

Republican State Committee Replies
With Statement of E. C.
Toner, Former Progressive

Charges were being freely made by Republicans here today that an eleventh-hour, desperate effort is being made to intimidate former Progressives and prevent them from voting in the Republican primary Tuesday.

The latest and most sensational move in this apparent campaign was the three-column display advertisement in the Indianapolis News Saturday night and the Indianapolis Star this morning calling on former Progressives to vote the Progressive ticket and interpreting the primary law in such a way as to make former Progressives fear prosecution in case they participated in the primary of any other party than that of the Progressives. The advertisement was signed by the state Progressive central committee.

The state Republican central committee replied with a large display advertisement in the Indianapolis Sunday Star and this morning's Star. The display advertisement consisted for the most part of an editorial in the Anderson Herald, edited by E. C. Toner, who was Progressive state chairman in 1914. Toner asserts boldly that he expects to vote in the Republican primary regardless.

He calls attention to the fact that from every source opposed to the Republican party "emanates occasional reports that former Progressives will not be permitted to participate in the Republican primary." Toner acknowledges that he voted the progressive ticket in 1912 and 1914 and says that he intends to go to the primary next Tuesday, call for a Republican ballot and participate in that primary as a Republican.

"All the Democrats in Madison county," the ad. continues, "would not be able to stop him if they tried, but they won't because a supreme court decision prevents them making the effort."

"We're not Progressives any more; we're Republicans. As such it is not only our opportunity but our duty to go into these primaries and aid in selecting the nominees on the Republican state, district and county ticket. We go into these primaries not as a quest, but as a right. The primary law, along with the supreme court decision on that law, says this, and we must exercise this right, which immediately becomes a duty. Let us all, regardless of our alignment the past four years, use every possible effort to bring about a Republican ticket that will represent all elements in the party."

"The attention of persons engaged in an effort to make former Progressives believe that they have no right to take part in the Republican primary, in face of the Supreme Court's ruling to the contrary is called to the following section

VIEWERS LOOK AT ELEVENTH AND FIRST

Examine Streets For Which Petitions to Improve Have Been Filed—Action Not Official

MUST REPORT BY APRIL 3

The viewers for the proposed improvement of First street and Eleventh street were in the city Saturday and looked over both streets. The proposed paving improvements were not viewed officially as the civil engineer was out of the city and could not accompany the viewers.

The viewers for the First street highway are John Spencer and George W. McBride. The viewers for the Eleventh street paving or the Green, et al., highway are Dr. Charles Smaillen and Oliver J. Cook. The engineer in both improvements is Adolphus Cameron, county surveyor. It was impossible to get an expression from the viewers. Their reports are to be submitted on or before April 3. April 3 is the next regular meeting of the county commissioners and this meeting will be watched with interest because the viewers can either kill or make the improvements.

COMMENCEMENT DATES ARE FIXED

Township Trustees at Monthly Meeting of Board of Education Announce Several.

THREE EXAMS FOR THIS YEAR

Several commencement dates were announced today by the township trustees attending the regular monthly meeting of the board of education. The Center high school commencement will be held on April 14. The New Salem commencement will be held on April 21. In all probability the Moscow commencement will be held on April 25, and the Milroy commencement on the following night, April 26. These two dates, however, have not been definitely determined.

Superintendent George has announced that there will be three examinations for eighth year pupils this year. The examinations will be held on the third Saturdays of March, April and May. The pupils who fail at the March and April examinations in two subjects will be given a third chance on the third Saturday in May. The May examination will be held in the examination room here, but the other two will be conducted in the various townships. The March examination for Walker township will be conducted in Homer, March 18.

CAMPAIGN WILL CLOSE TONIGHT

James E. Watson Will Make Final Speech in Race for Senatorial Nomination at Lafayette.

IS CONFIDENT OF WINNING

Stated at His Headquarters he Will Carry Seventy-Three of Counties in The State

James E. Watson, who has made the most spectacular and persistent campaign of any candidate seeking nomination at the primary tomorrow, will close with an address at Lafayette tonight. Preparations are being made for a big meeting there.

Unlike his opponents, Mr. Watson is campaigning up to the very eve of the campaign. Harry S. New remained in Indianapolis today, resting on his oars. Arthur R. Robinson spoke at Terre Haute yesterday and was billed to speak at Marion today.

Mr. Watson addressed a large meeting of Republicans at the court house in Anderson last Saturday night under the auspices of the Lincoln club. He rested at his headquarters at the Severin hotel in Indianapolis Sunday.

The extended statement that was given out at Watson's headquarters Sunday indicates that he has not revised his opinion of conditions. While at Richmond last week Mr. Watson predicted that he would carry at least seventy-three counties in the state. His statement follows:

"During the last twelve weeks I have visited and met the voters in public meetings in more than seventy counties of the state. While my canvas has been made primarily in the interest of my own candidacy, I have not failed at every meeting to uphold and present the issues of the campaign from the Republican standpoint and have used my best efforts to aid the cause of Republicanism."

"I am confident of my nomination. I shall certainly carry not less than seventy-three counties at the primary next Tuesday. Twelve counties are doubtful, in which the majorities either way will be small. My judgment is that I will lose the remaining seven counties, but the total majorities in these seven will not be great."

Washington, March 6.—Upholding laws at Florida and Washington aimed at trading stamps and free coupon companies, the supreme court today practically maintained the right of states to stop use of such coupons by prohibitory legislation.

Indianapolis, Ind., March 6.—The action of the supreme court in Washington upholding the Florida and Washington trading stamp laws was hailed at the attorney general's office here today as meaning that similar action would be taken in the Indiana case before Judge Anderson in Federal court.

REVIVAL OPENS AT M.E. CHURCH

Excellent Attendance at All Services Sunday Marks Beginning of Protracted Meeting

SERMON ON THE REVIVAL

Rev. W. M. Whitsitt Cites Paying Results of One Work And Effort it Costs

An excellent start was made yesterday for the revival meetings which are to be held in the St. Paul's M. E. church this month. The attendances at Sunday School, Epworth League, and the church services probably exceeded that of any previous meetings this year.

An inspiring sermon on "Revival" was preached by the pastor the Rev. W. M. Whitsitt, at the morning service when he cited the paying results of a good revival, the need of one, and the work and effort it costs. The enthusiasm which has already marked the meetings of the Epworth League was emphasized with the attendance and interest shown last evening.

Under the leadership of Clarence E. Lane, the singing evangelist, the chorus choir was well supported at the church with thirty voices. "Jacob, Wrestling with the Angels" was the subject of the pastor's sermon at the evening service.

In connection with the meetings a series of cottage prayer meetings have been planned for this week. These will be held from 9:30 to 10 o'clock on Tuesday, Wednesday, Thursday and Friday mornings and are to be held at the following places:

On Tuesday morning at the home of Mrs. Alvan Moor, 815 North Main street; at the home of Mrs. George F. Moore, 341 East Sixth street; at the home of Mrs. Frank Smith, 122 West Fourth street; at the home of Mrs. O. C. Brann, 315 North Harrison street; at the home of Mrs. F. G. Hackleman, 515 North Morgan street; at the home of Mrs. Fannie Smith, 815 North Harrison street; at the home of Mrs. E. O. Arbuckle, 527 West Seventh street; and at the home of Mrs. Frank Windler in Circleville.

MOTION FOR NEW TRIAL IS HEARD

Mrs. Bertha Potts Alleges Court's Verdict Not Sustained by The Evidence

ACCOUNT SUIT DISMISSED

Judge Alonzo Blair of Shelbyville was on the bench here today hearing a motion for a new trial in the partition and quiet title suit of Mrs. Bertha Potts against Earl Churchill. When the case was tried in December, 1914 Judge Megee found for the defendant. The suit involves a title to land and property valued at about \$20,000.

The argument for a new trial was quite spirited. B. F. Miller and John H. Kiplinger presented the motion and it was opposed by Judge M. E. Forkner of Newcastle and John A. Tittsworth. In asking for a new trial it is alleged that the decision of the court was not sustained by the evidence. Mrs. Potts is a grand daughter of the late Jefferson Churchill and in the suit she alleged that deeds to certain property were obtained through undue influence.

The case of the Ohio Garment Company against Will M. Bliss and Joseph L. Cowing was dismissed and the costs paid. The suit was on an account in which \$200 was demanded.

Ed Austin was excused from serving on the grand jury this morning by Judge Sparks and Omer G. Gartin of Jackson township was drawn for service in the place of Mr. Austin.

"CITY BEAUTIFUL" IDEA HITS BOARD

Commissioners Purchase \$99 Worth of Flowers And Shrubs For Court House Lawn Today

OTHER BEDS TO BE KEPT UP.

The "city beautiful" idea hit the board of county commissioners today and as a result \$99 worth of flowers and shrubs was purchased from Oliver Walton. The four large flower beds that attracted so much attention last summer will again be maintained and the flowers and shrubs purchased today will be placed in different parts of the court house lawn. John A. Tittsworth, county attorney, has advocated this for twenty years, and the commissioners readily fell in line for the idea.

Most of the day was taken up with allowing claims. This was the end of the official quarter and as a result a large number of claims were given attention.

The commissioners adjourned at noon and will meet again Wednesday when they will inspect the county poor farm.

CLEVELAND MAN NEW SECRETARY

Newton D. Baker, Age 45, Selected For War Portfolio in President Wilson's Cabinet.

IS A WELL KNOWN PACIFIST

Twice Declined Offer to Become Secretary of Interior When Cabinet Was Formed

(By United Press.)

Washington, March 6.—Newton D. Baker, age forty-five, twice mayor of Cleveland, Ohio, disciple of Tom Johnson and effective supporter of President Wilson at the Baltimore convention, will be secretary of war in the president's cabinet. Admission of the fact was made at the white house today.

Baker, who twice declined an invitation to become secretary of the interior when the president was first forming his cabinet, has accepted the place made vacant by Lindley M. Garrison's resignation.

In the appointment of Baker the president, it is said, meets a qualification which it has been intimated is considered important—that the new secretary be an attorney from the middlewest.

He has had the rough and tumble experience of politics, being a long term pupil of Tom Johnson.

The president, it is understood, has been advised by the attorney general's office that General Scott chief of staff, can not be retained as acting secretary of war longer than next Saturday, when his thirty-day appointment expires.

Baker is not entirely without cabinet experience. He served as private secretary to Postmaster General Wilson from 1896 to 1897.

STILL IN GOOD STANDING

Baker Belongs to Several Peace Societies, He Says

(By United Press.)

Cleveland, O., March 6.—Newton D. Baker this afternoon confirmed the United Press dispatch that he had accepted President Wilson's offer to be secretary of war.

"I have accepted the post," said Baker, after the official announcement was made in Washington.

"I do not know definitely when

Note the Success Signs

Newspaper advertising shows which way the trade is going.

Note the pages of advertising in today's Republican and you will see at a glance that the list of merchants, manufacturers, and other advertisers comprise the most progressive and the most successful business and professional men in our community.

Advertising and success go hand in hand. You don't see a concern constantly advertising in the newspapers unless it is successful.

Also, the houses that make the biggest successes nowadays do so by satisfying and pleasing the public on whom their success is based. And in order to reach the public the most successful business and professional men use newspaper advertising.

Each depends upon the other. Good business men and good newspapers, working together, spell success.

from the Indiana statutes; B. R. S., Section 2578 (2341). "Whoever, for the purpose of influencing a voter, seeks, by violence or threats of violence to enforce the payment of a debt; or to eject or threaten to eject from any house he may occupy; or begin a criminal prosecution; or to injure the business or trade of an elector; or if an employer of laborers or an agent of such employer threatens to withhold the wages or to dismiss from service any laborer in his employment; or refuses to allow to any such employee time to attend at the place of election and vote, shall be fined not more than one thousand dollars nor less than twenty dollars, imprisoned in the state prison not more than five years nor less than one year, and disfranchised and rendered incapable of holding any office of trust or profit for any determinate period."

The Progressive advertisement is only a part of the campaign to misrepresent the primary law. Many letters have been received from the Progressive state committee in the last day or two, trying to scare former Progressives. Most of the letters are being tossed in the stove. It is held that if there is any truth in the things the state committee is saying, they would have been said long ago and not withheld until the eve of the primary. It is pretty generally understood that the idea that a voter can be kept in one party or out of another by legislative enactment is too absurd to deserve a moment's consideration.

Driving it Home

Let us drive home to you the fact that no housewife or washer-woman can wash clothes in as sanitary a manner as that in which the work is done at our laundry.

We use much more water, change the water many more times, use purer and more costly soap, and keep all the clothes in constant motion in the water during the entire process.

It's simply a matter of having proper facilities.

WELL KNOWN MAN GIVES TESTIMONY

P. F. Hulvey of Near Fort Wayne, Says Wife Has Been Relieved by Tanlac.

Fort Wayne, Ind., Mar. 6.—P. F. Hulvey, a prominent farmer who lives on Rural Route No. 2, Sheldon, Ind., twelve miles from Fort Wayne, recently said regarding the benefits his wife derived from taking Tanlac the Master Medicine:

"My wife has been sick for five years with rheumatism and was in a run down condition. She suffered severe pains in her limbs and body and she had no energy. Her appetite, also, was poor, and because of extreme nervousness she slept very little. Severe rheumatic pains in the back of her neck, often came in the night and she would lay awake fearing an attack.

"Although Mrs. Hulvey has taken only one bottle of Tanlac to this time, she feels like a woman made over again. The rheumatic pains are nearly all gone, and she has more energy and feels stronger than she has for years. The nervousness, also, has disappeared from her, and her appetite has increased. Tanlac has helped my wife more than any other medicine. That's why I am here for another bottle. She certainly intends continuing its use."

The words of such a prominent man of the community as Mr. Hulvey, known for his honesty and integrity, added, as they are, to the testimony of many others, should prove the merits of Tanlac. Tanlac is especially beneficial for the treatment of catarrhal affections of the stomach, liver and kidneys and for rheumatism, sleeplessness and the like.

Tanlac is sold exclusively in Rushville, at P. E. WOLCOTT'S drug store.

is the average quantity in a healthy adult, but it is the quality of the blood that determines our strength to resist sickness. With weak blood we find cold hands and chilly feet; in children an aversion to study, and in adults rheumatic tendencies.

In changing seasons get abundant fresh air and take a spoonful of Scott's Emulsion after meals, because Scott's Emulsion is a rich blood-food that will increase both quantity and quality of the blood while it warms the body and helps carry off the impurities.

"When multitudes of people are to-day taking Scott's Emulsion to avert winter sickness, and are giving it to their children, it is careless to neglect its benefits. Look out for substitutes."

Bad Business

(Muncie Press)

The Press does not believe in the use of a newspaper to promote factional ends, and on this account has not undertaken to advise or control its constituency in the matter of candidates before the state wide primary to be held next week. If candidates were presenting themselves in the state primary whose nomination would be a menace to good government it would be the duty of a newspaper having at heart the good of the state and country, to protest. No such situation exists, however, except in the super-heated imaginations of partisans of various candidates. It is further to be remembered that every candidate nominated must run the gauntlet of the November election, and it is not to be assumed that any candidate who does not believe thoroughly in his own ability to be elected, if nominated, would make the hard campaign for a nomination, nor would his friends make such a campaign for him.

This paper does feel like protesting, in the interests of fair play, against methods being employed in behalf of some candidates and against some others. The mails are being filled with anonymous letters and the newspapers with scurrilous attacks on certain candidates. The very fact that this sort of campaigning is done so late, and over no signature, is a confession of weakness on the part of those who engage in it. And it may well be questioned if attacks of this kind do not react upon their authors, and in favor of those thus assaulted.

Particular reference is made to the kind of campaigning done against Mr. Watson, a candidate for the Republican nomination for United States senator. In 1908 Mr. Watson was the victim of the same kind of a fight. The opposition to his nomination was aroused to such a frenzy before the Republican state convention that it went on through the campaign, resulting in the defeat of Mr. Watson, and the repeal of the county local option law, in which many of those opposing Watson professed to be interested. Mr. Watson made his campaign fairly and squarely upon the platform, yet the effort was successfully made to spread the belief that Mr. Watson was "wet" and Thomas R. Marshall would not sign a bill repealing the county option law. Mr. Watson received 47,000 more votes than was accorded the Republican state ticket in 1910, however, and more votes than Taft and Roosevelt together received in 1912. While Governor Hughes, of New York, who like Mr. Watson, was opposed by the organized liberal interests of his state in 1908, received 133,040 less plurality than Taft; in Ohio, where much the same situation prevailed, Governor Harris received 88,000 less plurality than Taft; Governor Warren of Michigan, received 50,000 less plurality than Taft, while Governor Deneen of Illinois, received 156,000 less plurality than Taft. Watson ran about 15,000 behind Taft in number of votes received and about 25,000 behind him in plurality.

The lack of justification for the claim that Mr. Watson is an unpopular man is therefore apparent. It seems, however, that the effort of some of those opposing him is based upon the belief that he is likely to be nominated that desperate measures must be taken to prevent this, and that the sole method remaining is to "smear" him so thoroughly that the attack will make effective campaign material against his party in the November election, not only as against him, but as against every candidate on the ticket from top to bottom—for the weakness of one candidate for an important office weakens every candidate.

Having in mind the possibility, which everyone recognizes and none more than those who are inspiring and printing such attacks, of Mr. Watson's nomination, such methods

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

are to be deprecated, as against any candidate. This paper believes that Mr. Robinson will be elected, if nominated, and that his bold, unequivocal declaration of a intention to vote for national prohibition will help, rather than harm. It believes that Captain New will be elected, if nominated, and the state is carried by the Republicans on the national ticket. It believes the same with respect to Mr. Watson, and that it comes with poor grace from members of the party he has stood by so loyally, through evil and good report, whose standard bearer he has been in many hard fought battles, whose effective advocate he has been in every nook and corner of Indiana in every campaign for the last quarter of a century, to make their partisanship for some other candidate for the office he now seeks an excuse for assaults manifestly intended, or at least calculated, to weaken the cause of the Republican party in case more Republicans of the rank and file vote for him than for any other candidate, without which there is of course no prospect of his nomination.

The Evansville Journal News has been freely circulated throughout the state by someone, carrying violent personal attacks upon Mr. Watson. The nearer the primary approaches, the more violent and virulent these attacks become. The Evansville Journal News was a Republican paper during the period when Republicanism was in the ascendant. When things began to go to pieces a few years ago the Journal News abandoned its Republicanism and became an independent paper. At a time when it feared to lift its voice for the party in its home city, Mr. Watson was there making speeches in behalf of the party. Now this same paper undertakes to say that its advice should be taken, and Mr. Watson's candidacy should be rejected, because his course has made him a target. When the Kaiser be-

He is a man of sterling worth and ability and has the backbone and grit to make good in the State Senate.

The Republicans of Rush County should vote for him solidly. Decatur has a candidate, but at the present time they have representation in the senate and will have for over two years.

gins pinning upon the deserters and sending the men who bring wounds home from the trenches to military prison, it will be time to open one's ears to such arguments as are advanced by the Journal News. Unfortunately other newspapers much better entitled to a hearing have lost their heads, and are saying things the papers of the opposing party are now filing away for future use not only against Watson, in case of his nomination, but against the whole Republican ticket.

Of course this sort of campaigning is one of the natural and usual results of the state wide direct primary. The bitterness and partisanship usually reserved for October of an election year, begins in January, —in fact, runs the year round. The purpose of the advocates of the universal primary is to disorganize, disrupt and destroy political parties and party responsibility, substituting therefore the chaos of personal and factional leadership. The people will be glad to get back to representative government all along the line after a few years more of the present debauch.

JAMES WHITCOMB

(Continued)

In 1843 Whitcomb was the democratic nominee for governor and elected over F. S. Bigger by more than two thousand votes and three years later was re-elected by a much larger majority. He filled the executive chair during an eventful period of the state's history. The heavy debt incurred by the rage for internal improvements was not lifted. The establishment of asylums and reformatory institutions was undertaken, and more permanent funds provided for the support of the common schools. At the outbreak of the Mexican war he directed with much credit, the organization of five regiments of infantry. In 1849 Whitcomb was elected to the United States Senate but owing to ill health was never permitted to measure his talents with the great statesmen then in public life. He died in New York City in 1852. At the time of his death, Senator Whitcomb was vice president of the American Bible society. His only child, a daughter, became the wife of Claude Matthews, later governor of Indiana. She thus had the unique distinction of being a daughter of, and a wife of a governor.

We Need a Strong Campaigner

The test of a candidate is, can he get the votes? In 1914 Hugh Th. Miller, candidate for United States Senator, received 14,795 votes in the District. Lynch received 14,880 votes. LYNCH RECEIVED MORE VOTES THAN THE HEAD OF THE TICKET.

In 1912 Gray's plurality in the District was 8,745; in 1914, Gray's plurality was only 3,491. LYNCH REDUCED GRAY'S PLURALITY 5,254.

What a man can do in the future is to be judged by what he has done in the past. If Lynch gets these results with a divided party he can redeem the Old Burnt District with a united party.

GIVE HIM ANOTHER CHANCE AND SEE

Republican success demands a hard, vigorous speaking campaign. The candidate must be a man in the vigor of middle-aged manhood. If Lynch is nominated there will be no watchful waiting in this campaign.

RUSHVILLE MAY GET TO FINALS

High School Basketball Five Should
Have Little Trouble Under
Schedule Arranged

HAS CARTHAGE FIRST GAME

No Very Strong Teams Lie in Path
of Locals Until They Reach
The Last Contest

Under the schedule arranged for the district basketball tournament to be held at Richmond Friday and Saturday local, followers of the game see a chance for Rushville reaching the finals. Rushville's first game of the tournament is with Carthage at two o'clock Friday afternoon. This is the second game of the tournament, the first being played at one o'clock between Union City and Lewisville.

If Rushville defeats Carthage, and there is every reason to believe this will happen, the next game for the locals will be at nine o'clock Saturday morning, meeting either of these two teams and the fans are not alarmed over which team it is.

Providing Rushville is still in the running the next game will be at three o'clock Saturday afternoon with either Liberty, Milroy, Brookville or Mt. Summit. All of these teams but one will have been eliminated by the time the three o'clock game is called. Should Rushville

win this game the team would be in the finals. The final game will be played at night and from all indications Richmond will be one of the teams to take part. Rushville followers of the game believe Rushville has a fine chance. Under the schedule, Richmond and Newcastle should meet at two o'clock Saturday afternoon and as the dope favors Richmond, this team will more than likely get to the finals.

Local followers have picked Milroy to beat Liberty and as Rushville has already defeated Brookville chances are right for Rushville to get in the final game.

Coch Burns will drive his team hard this week in preparation for the tournament. The team hardly hopes to win the tournament but will seek to be the runner-up. The officials for the Richmond tournament are John Swain and Dorsey Jones.

CLEVELAND MAN NEW SECRETARY

Continued from Page 1.

I will leave for Washington but it will surely be within a week."

Baker has always been known as a pacifist. At the big citizens' meeting recently in Cleveland he was boosted as the man to bring about peace in the world war when the time is right. When asked when he ceased to be a pacifist and became an advocate of preparedness, Baker said:

"I am still a member in good standing of several peace societies." "But you believe in the president's preparedness policy, do you not?" was the next question.

"I do," he said. "I believe in all of the president's policies so far as I know them."

Baker smiled but declined to make any comment when asked whether he believed his recent telegram to Senator Pomerene had anything to do with clinching his appointment.

The telegram was sent when the congress-Wilson difference over the German submarine policy began. It said:

"Opinion is wholly with the president, he will doubtless save the honor of the country, but can not something be done to save the party which at present is a dismal failure?"

This comment was made last Saturday by Baker on the tabling of the Gore resolution by the senate.

"I am quite sure that no European power will misinterpret that action," he said.

Baker is a short, slim man with a colorless, wrinkled face. He is noted here for the lightening rapidity with which he canvasses the facts and forms an opinion.

Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.

Your dentist will tell you, if you ask him, that you have gum recession; and that gum recession is caused by pyorrhea.

Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your progress against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today, or send 4c in stamps or coin for sample tube and folder. Address The Sentinel Remedies Company 503 Union Central Building, Cincinnati, Ohio.

DEMOCRAT VOTE TO BE LIGHT

Statement From Watson's Headquarters is That he is “Serenely Confident.”

LAST WORD FROM CAMPAIGN MANAGERS

UNITED STATES SENATOR

James E. Watson—“Watson expects to receive the majority for U. S. senator. We are serenely confident. We will carry 73 of the 92 counties.”

Harry S. New—“New will carry every district. He will be nominated at the primary because the Republicans realize he is the only available candidate from the standpoint of the party.”

Arthur R. Robinson—“After ten months of personal activity by Sen. Robinson, reports from over the state indicate his nomination in a landslide.”

GOVERNOR (REPUBLICAN)

James P. Goodrich—“Mr. Goodrich has 83 counties organized better than during the average pre-election campaign. He will be nominated and it will be a landslide.”

Warren T. McCray—“Mr. McCray will be nominated in a landslide.”

Quincy A. Myers—“The day after the primary there will be only one Republican candidate for governor and he will be Quincy A. Myers.”

GOVERNOR (DEMOCRAT)

J. A. M. Adair—“Adair will carry practically every county by handsome majorities.”

Leonard B. Clore—“Clore will be nominated—possibly by a landslide.”

BY DAN L. BEEBE
(U. P. Staff Correspondent.)
Indianapolis, March 6.—Knowing that the time for campaigning has passed, Indiana's 15,000 office seekers rested on their oars today waiting for tomorrow when the state will hold its first general primary election.

Optimism beamed from the countenance of every campaign manager and oozed from campaign headquarters. The three republican candidates for U. S. senator were “confi-

DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to Take Salts and Get Rid of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. These subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

dent” of victory. Both James M. Watson and Harry S. New claimed they would be nominated by a majority at the polls and that the nomination would not go to the convention.

The same was true of republican candidates for governor. All predicted land-slides.

Although tomorrow's weather will have much to do with the vote total, political seers have estimated today that at least 50 percent of the voters who generally take part in elections will vote at the republican primary tomorrow. This was the percentage also fixed by one of the leaders in the republican party of the state.

Because the democrats have few contests, their vote will not be as large, it is generally admitted. Some said today that the democrats will be lucky if they poll a 33 percent vote.

Ed Jackson of Newcastle was the only unopposed republican on the state ticket.

James E. Watson, republican candidate for U. S. senator is “serenely confident,” to use the words of Elam H. Neal, his campaign manager. He expects to get more votes than Harry New and Arthur Robinson taken together, if Neal's statement is taken at its face value.

At the headquarters of Mr. New there was equal confidence. Edward H. Schmidt former U. S. marshal, New's campaign manager said New would carry every district.

At the headquarters of Arthur R. Robinson whose campaign for nomination has consisted almost entirely of his personal efforts, the following statement was made:

“After ten months of personal activity by Sen. Arthur R. Robinson, reports indicate his nomination in a landslide.”

None of the three republican candidates for governor was outwardly blue today. J. W. McCordle, campaign manager for James P. Goodrich predicted a “walkaway” for the latter. “Mr. Goodrich has 83 counties organized better than for the average pre-election campaign. He will have a walkaway.”

Warren T. McCray is expecting a landslide for him, according to word today from his headquarters. The following statement was issued:

“Mr. McCray will be nominated in a landslide. That tells the entire story.”

The statement issued at the headquarters of Quincy A. Myers: “The day after the primary, there will be only one republican candi-

date for governor and that will be Quincy A. Myers.”

Low Billingham, manager for J. A. M. Adair, the democratic candidate for governor claimed practically every county for Adair.

“Indications are that Adair will receive a handsome majority in practically every county in the state,” said Billingham.

J. C. Webb, manager for Adair's opponent, Leonard B. Clore, said Clore would be nominated possibly by a landslide.

“It has been a growing fight from the start,” Webb said, “Interest in Clore has increased by leaps and bounds. It looks like Clore's nomination—possibly by a landslide.”

BIRTHDAY SURPRISE

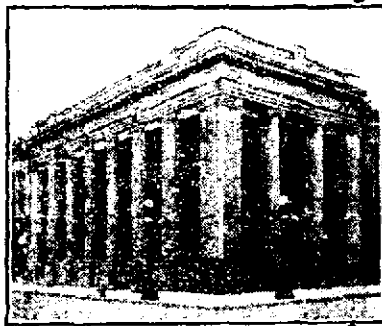

Ernest Roth, yesterday being his birthday, was pleasantly surprised last evening when in response to invitations issued by his mother a number of his friends came in and were guests at an elaborate six o'clock dinner. Ferns, a number of them, were used in decorating the dining room where the guests were served to the delightful course dinner. Following this a pleasant social evening was enjoyed by the guests who included Miss Katie Madden, Miss Kathryn O'Reilly, Joe Madden, Mr. and Mrs. John Geis and Robert Klenk, of Connersville.

BIRTHDAY DINNER

The birthday of Mrs. Nannie Vest was pleasantly celebrated yesterday, when as the guests of her daughters, Mrs. Orval Collier, and Mrs. Will Webb, a number of her friends and relatives assisted her in enjoying the joyous event.

The two hostesses served a sumptuous dinner in the prettily appointed courses. Lavendar and white was the happy choice for the color scheme and with a pretty potted flower and other suggestions of these shades, the table presented an airy and spring-like appearance for the amiable group of guests that enjoyed the delicious dinner. Equally delightful were the afternoon hours when the company enjoyed several pleasant hours of conversation. Those who were present to help in this celebration of Mrs. Vest's birthday were Mr. and Mrs. Dan Matlock and daughter, Helen, Mr. and Mrs. L. D. Downey, Mr. and Mrs. Alva Aiken, Mr. and Mrs. John Boren, Mrs. Alice Newhouse, Mr. and Mrs. Orval Collier and son and Mr. and Mrs. Will Webb and

There is a Bewitching Charm About Our Spring Suits and Coats

You'll enjoy looking at them and you will enjoy wearing one of them, too. We do not adopt a style because it is unique; a style must be authoritative. Dame fashion must place her seal of approval on a style before it can find a place in our wearing apparel section. We selected our New Spring Coats and Suits from the leading models and we looked for refinement and simple elegance; we looked to exclusiveness of style, selecting only one and two garments from each leading model. Many of these smart garments are here for your inspection and approval.

Snow White Table Damask of Quality

Preparedness is the reason for our unusually attractive showing of Table Damasks today. Many months ago we accepted the advice of several reputable importers, and placed very heavy orders. Today we are glad to offer to the public the fruits of this action. In spite of the fact that merchants all over the country are asking prices in conformity with the present market, this store is still naming the same prices that were in vogue when conditions were normal. This establishment has long been favorably known for its splendid offerings of Table Linens, Crashes and Towels, and we are endeavoring to live up to that reputation to the very letter. Let us strongly urge you to make your purchases from these lines now and save on every purchase.

GRAY NOT COMING.

Finly Gray, Democratic candidate for congress, has sent word to his supporters in Rushville that he will not be in the district tomorrow for the primary, as he is detained in Washington on important business before congress. He had hoped to come home in time to vote, but finds this impossible.

WHICH IS BETTER?

A Shoe at a Price or a Shoe of Quality? What does it matter if you pay a few cents per pair more for shoes, and get three months more service on that shoe?

We hear a great deal nowadays about shoes at a price. Any shoe store can sell shoes at a price. That is no trick. It is shoes of quality that stand out so prominent in the long run. Shoes that will give the wearer such satisfaction that they will come back for another pair.

The New Spring Shoes are coming in—Try us for a pair of the long wearing kind.
